Dear Brothers;

Congratulations on re-activating Alpha Rho of Alpha Sigma Phi at N.J.I.T. I date back to Alpha of A.K.T.T. Class of 1941, when A.K.T.T. was a campus leader in all respects, athletic, academic, alcoholic, aristocratic, atomic, apodictic, and axiomatic. Needless to say, I expect that in a very short time Alpha Rho will once again be "the Fraternity" at N.J.I.T.

I hope to be able to join with you on Saturday August 22, 81 at the Alumni homecoming.

Good Luck and great success.
