Dear "gentlemen of the Alpha Rho Colony",

I appreciate very much your kind invitation to your banquet on Jan 30th and would certainly would be present if it were physically possible.

You might be interested to know that I was a member of $\Phi \Delta \Sigma$ in the fall of 1925 - 57 yrs ago which became a chapter of $\Delta \chi \tau$ of which I was a charter member and their first Chaplain.

I have many happy memories of my association with $\Delta \chi \tau$ and fellow members.

May your reactivated Alpha Rho Chapter of Alpha Sigma Phi fraternity be a real asset to $\Delta \chi \tau$ as $\Delta \chi \tau$ was in the past.

Sincerely

Vernon O Drake
