What's new with you, your family, your job or anything else?

After B.S. in E.E., NCE MAY 1945; then M.S. in E.E. 1949  
Stevens Institute of Technology; Certificate in Government  
Contract Administration, UCLA 1965.

Have lived in Calif since 1956 with frequent trips  
to the plant in Nutley, N.J. Several engineering and  
marketing assignments out here since then. Latest is  
as Western Regional Sales Mgr. for ITT-AVIONICS of  
Nutley, N.J.

What do you hear from other alumni?

Only AS $\pi$  member I have met in 30 years  
is Miland Petrofsky who pledged me  
to AS $\pi$  in May 1943. He and I are both  
graduates of Union High, Union, N.J. 1942.  
I see him a couple of times a year  
when I call on him at Teledyne-Ryan  
in San Diego where he is a program  
navigator. Only other class of May 1945 I  
have ever met is Robert Sugarman.

Have met one other NCE alumnus  
here in California - Hudd Hald of  
Larchmont, class 1944.
